ONE COPY—ONE CENT.

PER CENT OF CHRISTMAS MAIL ARRIVED ON TIME

Washington, December 29.—In spite of weather conditions that tied up trains and crippled coal delivery arrangements in hundred of cities, reports to the Postoffice Department indicate that 89 per cent of this year's record-breaking budget of Christmas mail, including 125,000,000 parcels and many millions of holiday letters and cards, were delivered on or before Christmas day.

The tremendous bulk of mail matter turned over to the service for transportation and delivery in the two weeks before Christmas was equivalent, Postmaster General Burleson pointed out tonight, "to fully two and one-half pounds of parcel mail for every man, woman, child and infant in the land." That would require use of 1,000 full mail cars, carrying ten tons each, during the two week's period.

Department officials estimate that postage receipts for the month will not total less than \$18,000,000. Last December the total was \$15,000,000.

In remembering your relatives and friends for 1917—The Daily Public Ledger—would prove a most acceptable gift, start with the New Year.

Smittle and his band will be at the Princess Rink Tuesday evening.

FLEMINGSBURG BANKS PROSPEROUS

Flemingsburg, Ky., December 29.—The three banks in this city have enjoyed probably the most prosperous year in their history, in keeping with the general prosperity of the country. They have each declared their usual semi-annual dividends and laid aside some profits in addition.

The Fleming County Farmers Bank, with a capital of \$45,000 and a surplus of \$45,000, has declared its semi-annual dividends of 7 1/2 per cent.

The deposit Bank of Pearce, Fant & Co., with a capital of \$50,000 and surplus of \$50,000, has declared its semi-annual dividend of 5 per cent.

The People's Bank, with a capital of \$40,000 and a surplus of \$30,000, has declared its semi-annual dividend of 5 per cent. The deposits are probably the largest in the history of the institutions at this time.

AND STILL THEY COME

The Mason Lumber Co. through its attorney, Hon. J. M. Collins, filed suit with Circuit Clerk James R. Key yesterday against the Cooper Construction Co. and the Washington Improvement Co. for \$170.76.

In Police Court yesterday afternoon William Hoops was fined \$6.50 for being drunk.

ALUMNI VICTORIOUS

In a Game of Basketball With the Team From the High School Last Night—Score 31 to 12.

In one of the most interesting contests ever played on the floor of the High School auditorium the Alumni team beat the regular team by a score of 31 to 12. This is the first defeat the Alumni were ever able to inflict upon the High School team, the failure to do this before being due to the fact that the former have always been lacking in practice and team work. This was not so last night as the members of the Alumni team have been playing the game this winter and so were better prepared to beat the High School.

The following was the line-up at the opening of the game:

ALUMNI	HIGH SCHOOL
Right Forward	Everett
Parker	Left Forward
Hampton	Center
Marsh	Wood
Shea	Right Guard
Dickson	Downing
	Left Guard

In the first half Walker was substituted for Thomas. As the beginning of the second half the positions of Walker and Downing were changed and later in the game Walker was removed and Hicks put in his place.

The first half started out very interestingly. The Alumni took the lead when Hampton threw a goal on Wood's foul. The High School then scored three points. The Alumni caught up with this and soon were far enough in the lead to have easy going. At the end of the first half the score was 10 to 4 in the Alumni favor. The second half completed the slaughter. Downing was the individual star of the High School team, playing a brilliant game.

GOING TO EUROPE TO REPLACE BISHOP

Columbus, Ohio, December 28.—Bishop W. F. Anderson of Cincinnati, told superintendents and board members of the Methodist Episcopal churches of Indiana, Ohio and Kentucky, in convention yesterday, that his mission to Europe is to replace Bishop J. L. Nuelsen, of the Methodist Episcopal Church, whose close affiliation with Germany is said to have made him unacceptable to churchmen of the Entente Allies and of certain neutral nations. He said he may remain in Europe five or six months.

CARRIERS GETTING ONE DAY OFF

All of the city carriers at the post-office are receiving a day's holiday this week on account of the fact that they were compelled to work on last Sunday. The large amount of Christmas mail on hands made it necessary to have this delivery.

WILL GIVE ANNUAL REPORT

Coroner Charles Black has prepared his annual report for the year of those who have met their death violently. The total number of violent deaths for the year only totals ten, the smallest number for several years.

Matinee at the Princess Rink today from 2 until 4:30 p. m.

HAD GOOD OPENING

The opening of the indoor baseball game at the old Thomas building on North Market street last night was very successful, a large crowd being in attendance. The game proved very interesting and a large number of men tried their skill as batsmen. The game promises to become very popular in this city.

WATCH NIGHT SERVICE

The watch night service at the Third Street M. E. Church Sunday night will begin at 7:30 with the Epworth League service. The remainder of the evening's services will be very interesting. A light luncheon will be served at 11 o'clock. Mr. W. W. Ball will speak on "The Advantages of Church Union."

DR. BUNTON PICTURED

Dr. George W. Bunton of Dayton Ohio, was pictured in Friday's Cincinnati Commercial Tribune. Dr. Bunton was formerly pastor of the Third Street M. E. Church of this city and has been in Dayton two years. He has just been elected the president of the Federation of Churches in that city.

BABY DIES

The infant daughter of Mr. and Mrs. C. N. Bolling of Forest avenue, died Friday morning and was later buried in the Maysville cemetery.

The bunch of keys advertised for in the Ledger of last Thursday were returned to the owner within thirty minutes after the copy was sent to the paper. We mention this to remind you that it always pays to use the Ledger if you want results.

Practice up for Smittle's band, at the Princess Rink. Watch for the date.

MAYSVILLE SOLDIER SUCCEEDS

Friends of Sergeant Tom Barbour of the West Virginia Machine Gun Co., 2nd Infantry, now stationed at San Antonio, Texas, will be glad to know that he now holds the best record with Machine guns in his Co.

About three weeks ago the Co. was camping on an Artillery Range for two weeks at heavy practice every day. Shortly before their return to Fort Sam, Houston, two gun squads were chosen by two lieutenants, to shoot against each other. Tom was gunner for the second station and was given a seven hundred yard range while the other gunner was shooting six hundred yards. In the finish Tom hadn't missed a target making the best score that had ever been made in his Co. The following day after their return to the Fort, Tom was promoted to Duty Sergeant.

THE DAILY PUBLIC LEDGER

Entered at the Maysville, Kentucky, Postoffice as Second-class Mail Matter.

THEY REALLY DO IT

A correspondent who asks us, quite unnecessarily, to excuse his handwriting invites editorial comment upon the following statement of facts:

I have been a farm hand for nine years; and, as I have behaved myself and done what was right, I have got along first rate. First, I got thirty dollars a month, and for several years thirty-five dollars, and, as I have my keep, too, don't have much expense, except a suit once in a while. I have twenty-seven hundred and forty dollars in bank, and have an endowment policy for two thousand dollars that will be due in six years. Next year I'll have three thousand dollars saved, and then I'll put it out on a good mortgage at six per cent. That will bring me a hundred and eighty dollars a year. So, when I get the insurance, I'll have six thousand dollars; and then I'll buy my farm and pay cash, and be my own boss. That's doing pretty good, ain't it? And then I'll be thirty-six and will get me a wife. I didn't go tumbling round the country, but just stuck. I have worked; but I guess that's better than the moving pictures and base ball. And if the old grandfathers hadn't worked hard where would the country be now?

Nine years at an average, say, of thirty-two and a half dollars a month, with twenty-seven hundred and forty dollars in the bank at the end of that period, tells its own story—a story in which moving pictures and baseball obviously play small part.

Men really do it—and have proper scorn for the man who complains that he cannot get on.—Saturday Evening Post.

POSTPONED BUT NOT SOLVED

It is becoming every day more evident that instead of getting nearer to a solution of the controversy between railroad employees and the railroad managers, the hasty legislation of the last session of Congress added to the difficulties. The present session of Congress must deal with the eight-hour problem, and it is complicated by the fact that there must be taken into consideration the rights and interests of the 80 per cent of the employees who were not affected by the legislation known as the Adamson law, and also there must be consideration of the need of increased freight rates in order to make up the increased expenditures forced upon the railroads. Compulsory arbitration will naturally be a feature of attempted legislation on this subject.

MAKE HAY WHILE THE SUN SHINES

"Make all you can and lay aside a little more than you can, for you are going to need it, and need it badly." This bit of philosophic advice to business men is given by Mr. Robert G. Middleton, a South Chicago buyer, who is interviewed in today's Herald. Mr. Middleton expresses confidence that the present prosperity will last until the war ends in Europe, but of what may come after he says: "The cat may jump any way, and any way it jumps it is going to affect us." He is dubious concerning the outlook for the United States unless the tariff is revised upward.

The government's investigation into the cause of the high cost of living is to be nation-wide. The remedies which the investigators will propose will, of course, necessitate Congressional action. The present Congress has but little more than two months to run, and there will be no more Congress until December, 1917. The duration of our period of "watchful waiting" is easily to be reckoned.

Muses Mils

We've some high waters here now. Richard Brammer is better with paralysis.

Squire J. H. Muse has moved into his new house.

Jesse Wilson, who works in Cincinnati, visiting home folks here.

Miss Flora McRoberts fell last Monday and dislocated her right wrist.

Clay Whisman and family have moved from Pea Ridge to the Rigdon farm near here.

Christmas passed off with quite a lot of drinking among our drinking friends here.

Marion Ferguson and family of Flemingsburg are visiting Marion Muse and family at this place.

Charles H. Compton was at Ryan last Monday taking the acknowledgment for two deeds from Dad McRoberts and wife.

Robert Manning and family have moved from Waltz, Rowan county to Ryan near here. Mrs. Manning is suffering with tuberculosis.

Mack Dugan, 24, and Miss Letha James, 20, were quietly married here recently by Rev. Thacker and will go to housekeeping on Big Run near here.

Oscar Heister, 18, and Miss Tillie Goodwin, 16, both of this place have procured the necessary papers and will be quietly married at the bride's home Thursday.

Prof. Gardner of Wallingford, who is teaching the public school at this place, gave an entertainment with a Christmas tree here Christmas, that was largely attended and enjoyed by all present. A large crowd was out and the tree was loaded with presents for the pupils and their friends.

A Christmas tree and entertainment was given by the Sunday School at Plummers' Landing near here last Sunday night. The Christian Church house at that place was filled to overflowing and the speaking, songs, etc., were all real good. Dr. J. F. Huff of that place who is a hunting Sunday School worker, planned the whole affair which we are proud to say was a success. While there were several presents who were drinking, good order generally prevailed and every one seemed to enjoy the occasion.

It has been in constant use for more than 70 years, and has benefited more than a million people.

Well, what next? Use "ICE STORM" and "GLAZE" instead of "SLEET," OFFICIALS SAY

Washington, December 27.—The old-fashioned "sleet" is going out of style this winter before the newer "ice-storm" and "glaze." Weather Bureau officials reported today in their campaign for more accurate terminology for various kinds of frozen rain.

Sleet is officially described as small globules of rain frozen before striking the earth. When rain freezes after falling and forms a glassy coating on the ground, trees and wires the condition is called a glaze, and when this is severe and accompanied by wind it is reported as an ice storm.

The Weather Bureau hopes to eliminate what it considers to be improper use of the word "sleet," as it has caused substitution of the term "torpedo" for "cyclone" when a violent storm of small diameter is meant.

HUNTERS' LICENSES INCREASE 30 PER CENT

Frankfort, Ky., December 27.—J. Quincy Ward, executive agent of the Fish and Game Commission, has forwarded 60,000 hunters' licenses to the county clerks. The increase in license this year will be nearly thirty per cent over that of last year. The license blanks forwarded are for 1917.

1,500,000 RED CROSS STAMPS SOLD DURING HOLIDAY SEASON

Frankfort, Ky., December 27.—The Kentucky Tuberculosis Commission estimates that 1,500,000 Red Cross stamps were sold in Kentucky this year. This is an increase of twenty per cent over the sale of last year.

C. AND O. INCREASE

Huntington, W. Va., December 27.—Bulletin, dated at Richmond, Va., December 25, copies of which were received here today, announce that, effective January 1, 1917, a 5 per cent increase will be paid to each employee serving the Chesapeake and Ohio Railway Company in offices at stations and in dining and parlor cars, whose compensation is not covered by an agreement, who has been in service at least one year and whose salary has not been advanced since January 1, 1916.

FAMILY AVOIDS SERIOUS SICKNESS

By Being Constantly Supplied With Thedford's Black-Draught.

McDuff, Va.—"I suffered for several years," says Mrs. J. B. Whitaker, "in this place, with sick headache, an indigestion, and stomach trouble."

Ten years ago a friend told me to try Thedford's Black-Draught, which I did and I found it to be the best family medicine for young and old.

I keep Black-Draught on hand all the time now, and when my children feel a little bad, they ask me for a dose, and I do them more good than any medicine they ever tried.

We never have a long spell of sickness in our family, since we commenced using Black-Draught.

Thedford's Black-Draught is purely vegetable, and has been found to regulate weak stomachs, aid digestion, relieve indigestion, colic, wind, nausea, headache, sick stomach, and similar symptoms.

THE SEASON'S GREETINGS

As we are about to pass into a new year, we wish to extend our thanks and greetings of the holiday season to our many friends everywhere.

We have always tried to do our part in seeing that our business was conducted in the proper way to merit the confidence of the people of Mason and surrounding counties, and that we have succeeded is attested to by the large volume of business which we handle and by the many satisfied customers who appreciate Traxel's "service" and Traxel's "quality."

Again we say, "Greetings."

JUDGE FOR YOURSELF

Which is Better—Try an Experiment or Profit by a Maysville Citizen's Experience.

Something new is an experiment. Must be proved to be as representative.

The statement of a manufacturer is not a convincing proof of merit. But the endorsement of friends is.

Now supposing you had a bad back, A lame, weak, or aching one, Would you experiment on it?

You will read of many so-called cures.

Endorsed by strangers from far-away places.

It's different when the endorsement comes from home.

Easy to prove local testimony. Read this Maysville case:

Ben. P. Fleming, constable of Mason Co., 217 E. Lee St., Maysville, says:

"I have used Doan's Kidney Pills off and on for several years, getting them at Wood & Son's Drug Store, and they have been of great benefit. At times, my kidneys have been out of order and I have suffered from a dull, constant ache through the small of my back. The kidney secretions have been irregular in passage, too. A box or so of Doan's Kidney Pills have never failed to relieve me of the complaint in a short time."

Mr. Fleming is only one of many Maysville people who have gratefully endorsed Doan's Kidney Pills. If your back aches—if your kidneys bother you, don't simply ask for a kidney remedy—ask distinctly for DOAN'S KIDNEY PILLS, the same that Mr. Fleming had—the remedy backed by home testimony. 50c all stores. What a Pleasure

The Loose Leaf Warehouse Business Is Now

It makes us feel good to receive the letters, and the kind words about the SATISFACTORY SALES we are now making. We have never made the claim that we get so much more for tobacco than the other houses, but we do give each customer our personal attention, and try to make it bring its value, and with our many years experience, we have confidence enough in our judgment to take all we bid off, giving the grower a clean sale.

Try us with a load and go home happy.

A Suggestion TO

Tobacco Growers

Nothing, in our opinion, is so liable to seriously effect the present satisfactory prices of Tobacco as the over crowding of the market.

Our advice to you is, bring each wagon load to market just as soon as you get it ready. Don't delay until you get your whole crop, or the most of it shipped. To do so will be a mistake.

A steady market is always better than a glutted one. Don't get too much here at once. As our house is the largest, we are helped most by a rush; but, we know that what is not good for you is not, in the long run, good for us.

We Are For What Helps Everybody Most

That is the reason we so carefully sort and handle each crop of Tobacco before offering it for sale.

Bring each load, as soon as ready, to the

HOME

And you will go home satisfied, for we will make it bring you the TOP OF THE MARKET.

THREE NEUTRAL NATIONS JOIN IN PEACE MOVE

London, December 29—A dispatch from Copenhagen says the Danish, Swedish and Norwegian governments have instructed their legation to address to the governments of the belligerent countries notes in which the Scandinavian governments, adhering to the note of President Wilson concerning measures to be adopted for facilitating a durable peace, declaring they would consider themselves as falling in their duty toward their respective peoples and toward humanity as a whole if they did not express their most profound sympathy with every effort which may contribute toward putting an end to the sufferings and losses, moral and material, which are ever growing in consequence of the war. The three governments in conclusion cherish the hope that the initiative taken by President Wilson will lead to a result worthy of the generous spirit which prompted this action.

BRITAIN MAY BUY UP LIQUOR TRADE

London, December 29—The Daily Express states that the purchase of the drink trade by the States is believed to be imminent. Drastic action in the direction of further restrictions on the manufacture and sale of alcoholic beverages is certain in the immediate future, and present indications are that ownership by the State will be put forward as the swiftest and easiest method of handling the complicated problem.

Deafness Cannot Be Cured by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, Deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars, free. F. J. CHENEY & CO., Toledo, O. Sold by Druggists, 75c. Take Hall's Family Pills for constipation.
